

Central IL Vulcan Riders

Everyone here a tentative list of our scheduled events for 2019. Most of these are listed in the "Events" section here in the group. I did not create an event for the NASCAR trip until [Danny](#) checks into to it more, and it may only appeal to a small number of you. Two things not listed in the official list below we might wish to consider would be the Blessing of the Bikes at the Psycho Silo on May, 5th and the Freedom Run up in Marseilles on June 15th. Both of those events have been "shared" to the group so they appear in the event section.
